

What is an offshore IBC ready made shelf company? Offshore Ready Made shelf Companies to buy?

What is a Shelf Company?

Shelf companies are companies that have been formed in past years or monthes, but have never been used. Each of these shelf companies was filed for the specific purpose of being a shelf company and all companies have had the annual taxes and/or annual reports paid and filed with the Government each year. All companies are in Good Standing.

What Is included with each Shelf Company?

Each of these companies comes with a:

- * Certified Copy of Certificate of Incorporation/Formation from the Government/ Registry
- * A Statement of Incorporator/Organizer (the appointment of the initial directors/members)
- * Registered Agent Service for the remainder of the calendar year.
