

The language travel guide in MP3 format

With the new travel dictionary of PROSONSOFT one can easily learn languages. Regardless of which language in concrete- English, French, Spanish and German can be combined to individual preferences.

In 11 sections one can learn vocabularies and phrases for various situations such as arrival, food, flirt, numbers, prices and more. They enable the user to quickly find its way in the main situations of life in the corresponding country of his holiday.

The sections in the dictionary are catchy phrases spoken by native speakers. One has the opportunity to listen to the spoken phrases until they were internalized.

It is possible to learn with the travel dictionary in the internet or through downloading the various sections on your MP3 player or mobile phone. For students who additionally want to learn the visual way we offer them to print the 11 sections.

The main advantage is to learn a language everywhere, every time and on your way. Even in difficult situations the travel dictionary can speak for you!!

The travel dictionary guide is available in English, French, Spanish and German on the webpage www.travel-dictionary.com.
