GALLERY FOR PHOTOGRAPHY

SHUTTERLOUNGE.COM

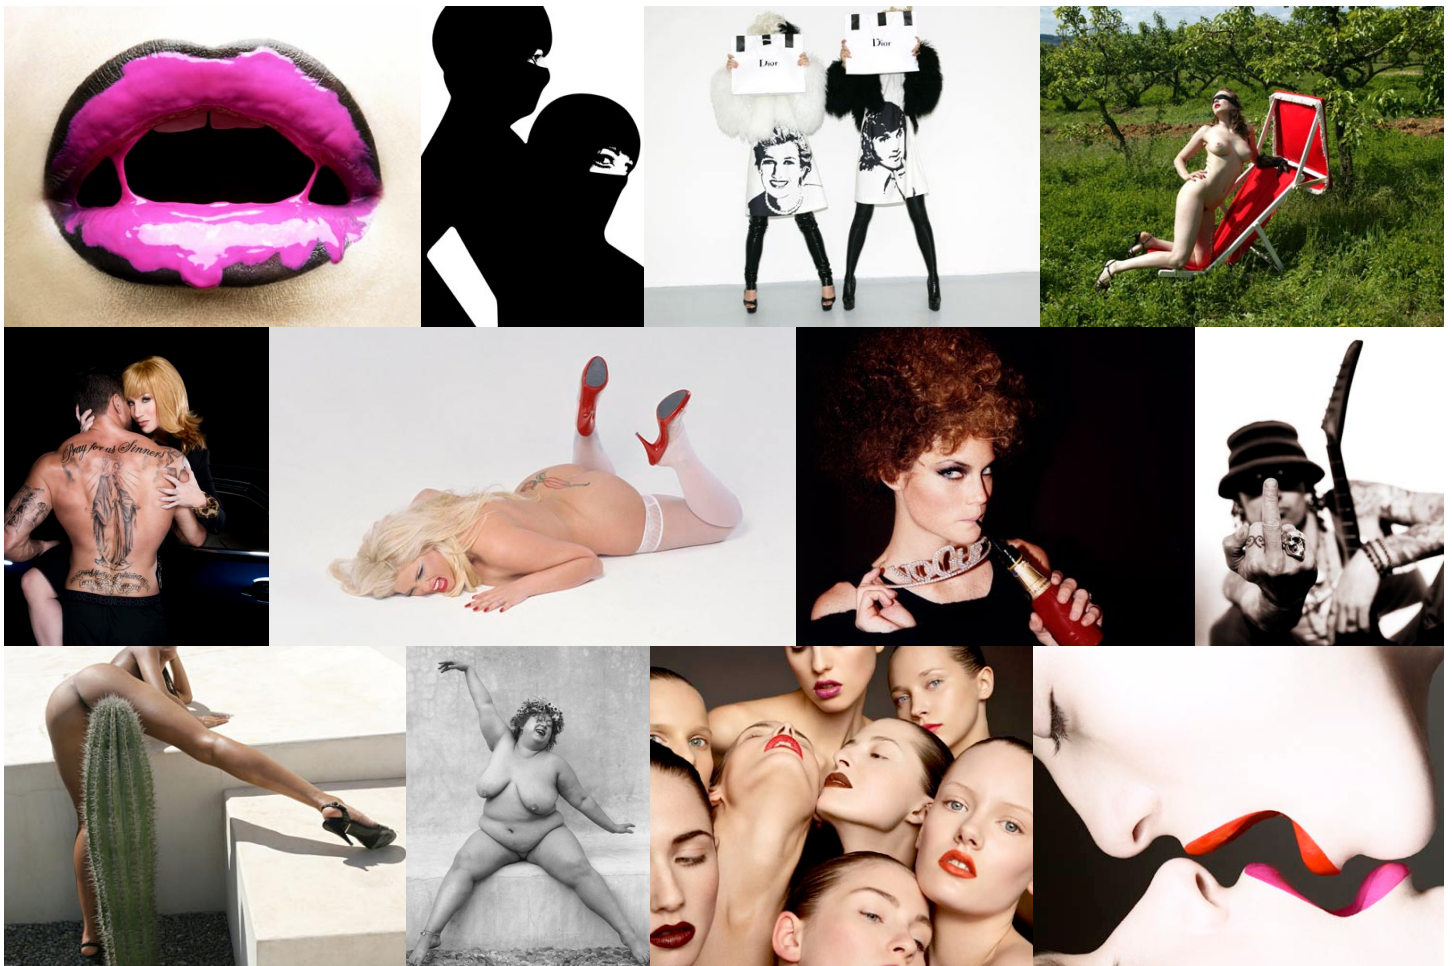

Bringing Glamour and Art Into The Everyday

SHUTTERLOUNGE allows collectors to purchase ready-to-hang photography from the comfort of their own home regardless of their access to local art galleries. The online gallery works with the most respected opinion leaders and image makers in the photo business to make limited-edition photography available for purchase.

The online gallery represents working contemporary photographers, capturing the current zeitgeist, and amazing and striking imagery. This photography is emotional, thought-provoking and reflects the times and styles of our society, as it entertains, shocks, motivates, and inspires.

SHUTTERLOUNGE believes that photography art should be exciting, alluring, and accessible, bringing glamour and art into everyday living space, office and hotels etc..

Furthermore **SHUTTERLOUNGE** offers art consulting to interior designers or companies that like to get access to unique photography art - customized to the personal style and taste of their clients.
