

Saturday, August 25th [CoesterVMS](#) and [Wave City Care](#) partnered up for the annual makeover of four local schools, just in time for the new school year!

Thoroughgood Elementary, Creeds Elementary, Lindenwood Elementary, and Truitt Intermediate Chesapeake were among the four schools to receive aid and assistance to ensure the buildings were ready for the 2018 school year. The makeover included landscaping, construction, painting, installing chalkboards, power washing, cleaning, and assistance setting up the classrooms.

“The makeover was complete just in time for the new school year. Over five hundred people came out to make a huge impact on the lives of our youth and the community. It was a really fun day where the community comes together to get their hands dirty and beautify four of our local schools,” said Lydia Wigglesworth-Ballard of Wave City Care.

This year’s makeover marked the 13th year of the event for Wave City Care. Wave City Care is a non-profit that serves the community through educational services, mentor-ship opportunities, and local community volunteer work. For a breakdown of this year’s School Makeover event, the details have been provided below.
